

DOUGLAS G. SMITH

Douglas G. Smith is President, Barrington Lakes Group, a health care consulting firm specializing in Integrated Imaging Strategy Development, Strategic Planning, **Imaging Center Development & Management, Profit Improvement Implementation** for physician organizations, hospitals & health systems and other health care related organizations. The Barrington Lakes Group is one of the leading Chicago-based Radiology Business Consulting Firms, and is fast becoming one of the leading **Physician Business Consulting and Outsourced Oversight Management** firms in the nation. Barrington Lakes Group enjoys an outstanding reputation for assisting clients in the development and operation of effective and profitable healthcare organizations.

Mr. Smith has an extensive background and expertise in no-nonsense business planning and operations profit improvement for both large and small healthcare entities. He brings over 30 years of demonstrated professional experience as an operations improvement specialist, business strategist, business turnaround facilitator, merger and acquisition specialist, and operations executive to the healthcare market.

Following over 20 years in the Defense business sector as Vice President of Imaging Technology and Business Development Imaging Systems Division, and six years as President of a Health Care Consulting Group, a division of a large CPA Firm, Mr. Smith founded The Barrington Lakes Group as a unique niche consulting firm with specialized expertise and unique consulting firm business model.

His specialized professional background and experience includes extensive Business Management Operations & Oversight, Managed Care Contract Strategy Development & Negotiations, Physician/Hospital & Physician/Specialist Joint Venture Development, Health System Integrated Imaging Strategy Development, Strategic Business Action Planning and Federal Government and International Legislative and Policy Liaison.

Doug is a graduate of Ohio University, a graduate of the Crosby Quality College Executive Program and has been repeatedly elected into ***Who's Who in National Healthcare***. He is a member of several professional associations including **Healthcare Financial Management Association (HFMA), Medical Group Management Association (MGMA), the Radiology Business Managers Association (RBMA)** and the **National Health Lawyers Association (NHLA)**.

He is an accomplished professional speaker and lecturer to local, national and international audiences and has authored and co-authored articles and business publications on a variety of profit enhancement processes and practices. Mr. Smith has been a featured speaker for the **American Medical Association, American Institute of Certified Public Accountants, Congress of Imaging Administrators Healthcare Financial Management Association, Institute of Health Care Industry Advisors, International Business Conferences on Radiology Practice Management, Radiology Business Managers Association, Washington G2 Reports Diagnostic Imaging Leadership Forum.**

Doug also is a member of the Washington G-2 Reports Editorial Board and is a contributing author.
